DISCOVER THE GO PROJECT

Youth Mission Camps (ages 12-16) are our longest-running programs. The GO Project was started by a youth group and their desire to go on a mission trip while living into their own beliefs, values, and understanding of Christ in the world. They struggled to find a partner organization that shared those values while also being inclusive, and so, they created their own mission experience in Toronto.

2024 Locations: Toronto & St. John's

Toronto: July 6 – 14 St. John's: July 27 – Aug 4

Youth ages 12-16 are invited to join GO Project in Toronto and St. John's this summer. Our overnight programs will run for 8-days and nights. During the program, participants and staff reside at the host church, cook and eat together, serve with local environmental and social justice organizations, and discern how they are being called into action in their own lives and communities through discernment workshops. Youth programs provide the mission trip experience without having to leave Canada, and for a fraction of the cost. More details [HERE](#). Cost is \$499.
